

Aviation-Printing-Items

W e l c o m e o n B o a r d

Kimoha is proud to be recognized as one of the leading manufacturers in the Gulf for high quality printed matters.

Over a decade ago, Kimoha made its entry into the Aviation Market Segment by becoming the First-In-Gulf Converter to manufacture and supply Baggage-Tags.

Driven from our customers requirements and global developments, our products are up to date at any time. RFID, 2D-Barcode, CUSS-Applications are in our portfolio.

Today we are offering a wide range of printing-items for Baggage-Handling, Passenger-Handling, In-flight, Cargo and Security.

All our products are produced according to the latest IATA - Standards to assure a smooth and safe operation at our customers end.

As an ISO 9001:2008 certified company we are maintaining high level quality.

Competitive prices in conjunction with our excellent customer service makes us being a "Customer-First-Choice" supplier.

Kimoha welcomes you on board.
